

Darkness To Light

The ultimate mission of D2L, to end childhood sexual abuse, can only be accomplished by sharing the solution of prevention, awareness and education with more and more people. This, in turn, builds momentum and over time, changes the way our nation and culture cares for, protects and nurtures our children. Being an active participant in the mission to end childhood sexual abuse is one of the most rewarding things we will ever do – and we cannot do it without you.

We believe that learning the facts about childhood sexual abuse helps prevent it. Talking about it helps prevent it. Getting involved helps prevent it. The truth is, if childhood sexual abuse can be prevented, it can be stopped. That's why D2L exists – to empower adults through awareness and educational programs to prevent, recognize and react responsibly to childhood sexual abuse.
