

Agency On Aging

The Area Agency on Aging for Northeastern Vermont is a private, community-based, non-profit organization working to support older adults (age 60+) and their family caregivers to live healthy, active, independent and productive lives. We serve residents in the counties of Caledonia, Orleans and Essex. We're here to help with all matters related to aging. If you're a Vermont senior, a concerned family member or a caregiver, information is just a phone call away. Our information specialists assist callers in finding the answers to questions about a broad variety of elder programs & services, such as:

- Family caregiver support
- Transportation
- Case management
- Help applying for benefits
- Senior meals and wellness programs
- Housing
- Legal assistance
- Volunteer opportunities
